DEPUTY SECRETARY

To whom it may concern,

This letter is to inform you that Children, Youth, and Families Department (CYFD) has reason to believe the children Montie and Jessica Avery are not safe in the care of their mother Patricia Self at this time. Mother has agreed to our recommendations to leave the children in the care of their father until such time as she has gotten the help she needs to ensure that the children will be safe in her care and to not have contact with the children unsupervised until such time.

Please call me at 841-4701 if you have any further questions. A message can be left at any time of the day or night. The case will be open for investigation for a minimum of thirty days.

Sincerely yours,

A handwritten signature in cursive script that reads "Teri Williams".
